INTRODUCTION

The purpose of this circular is to provide you with information relating to the resolutions to be proposed at the AGM for the grant of the General Issue Mandate and the Repurchase Mandate, the extension of the limit of the General Issue Mandate, the proposed re-election of Directors, the proposed adoption of the 2022 Share Option Scheme, the proposed adoption of the New Articles of Association and the AGM Notice, and to seek your approval of such resolutions at the AGM.

* For identification purpose only

LETTER FROM THE BOARD

At the annual general meeting held on 29 October 2021 (the “**2021 AGM**”), general mandates were granted to the Directors authorising them, among other matters, (a) to exercise the powers of the Company to allot, issue and deal with new Shares not exceeding 20% of the aggregate nominal amount of the issued Shares; (b) to repurchase Shares not exceeding 10% of the aggregate nominal amount of the issued Shares; and (c) to extend the general mandate to issue Shares by the number of Shares purchased under the repurchase mandate mentioned in (b) above. No Shares were issued pursuant to such general mandate and no Shares were repurchased by the Company since the 2021 AGM and up to the Latest Practicable Date. The general mandates will lapse at the conclusion of the AGM.

GENERAL ISSUE MANDATE

At the AGM, two ordinary resolutions will be proposed, respectively, (a) to grant to the Directors the General Issue Mandate to allot, issue and otherwise deal with new Shares with an aggregate nominal amount not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the General Issue Mandate; and (b) to authorise an extension of the limit of the General Issue Mandate so granted by adding to it the aggregate nominal amount of the number of Shares which shall be repurchased by the Directors pursuant to the resolution on the Repurchase Mandate, if granted.

As at the Latest Practicable Date, the Company had an aggregate of 227,074,833 Shares in issue. Subject to the passing of the proposed ordinary resolution at the AGM for the approval of granting the General Issue Mandate to the Directors and assuming that no Shares would be issued by the Company from the Latest Practicable Date up to the date of the AGM, the General Issue Mandate would allow the Directors to issue and allot up to a maximum of 45,414,966 Shares, representing 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of the AGM.

Details of the General Issue Mandate and the extension of the General Issue Mandate are set out in ordinary resolutions A and C set out in item 4 of the AGM Notice, respectively.

REPURCHASE MANDATE

At the AGM, an ordinary resolution will be proposed to grant to the Directors the Repurchase Mandate to repurchase Shares with an aggregate nominal amount not exceeding 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the Repurchase Mandate until the next annual general meeting of the Company or such earlier period as stated in the said ordinary resolution. Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to 22,707,483 Shares. Details of which are set out in ordinary resolution B set out in item 4 of the AGM Notice.

An explanatory statement, as required under the Listing Rules to provide the requisite information, of the Repurchase Mandate is set out in Appendix I to this circular.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

According to Article 87 of the Articles, Fung Ka Keung David (“**Mr. Fung**”) and Lam Lee G. (“**Dr. Lam**”) shall retire at the AGM by rotation and, being eligible, will offer themselves for re-election at the AGM. At the AGM, an ordinary resolution will be proposed to re-elect Mr. Fung and Dr. Lam as independent non-executive Directors.

Brief biographical and other details of the above-mentioned Directors offering themselves for re-election at the AGM, which are required to be disclosed under the Listing Rules, are set out in Appendix II to this circular.

In reviewing the structure of the Board, the Nomination Committee will consider the structure, size and diversity (including gender, age, cultural and educational background, length of service, skills, knowledge and experience etc.) of the Board at least annually and make recommendations on any proposed changes to the Board to complement the Company’s corporate strategy. All appointments to the Board are based on meritocracy and the candidates will be assessed based on criteria such as education background and relevant skills and experience for consideration of the operation of the Board as a whole, with a view to maintaining a sound balance of the Board’s composition.

Pursuant to the Code Provision B.2.3 of the Corporate Governance Code set out in Appendix 14 of the Listing Rules, any further appointment of independent non-executive director serving more than nine years should be subject to a separate resolution to be approved by shareholders. Mr. Fung and Dr. Lam, who were both appointed as the independent non-executive Directors on 30 August 2005, have served as independent non-executive Directors for more than nine years. The Nomination Committee and Board (with Mr. Fung and Dr. Lam abstained from the discussion and voting regarding their re-election) has assessed both Mr. Fung and Dr. Lam’s independence, educational background, experience and professional skills when determining their suitability of retaining them as the independent non-executive Directors.

According to code provision B.2.4 of Appendix 14 to the Listing Rules, where all the independent non-executive directors of an issuer have served more than nine years on the board, the issuer should, among others, disclose the length of tenure of each existing independent non-executive director on a named basis in this circular. Mr. Fung and Dr. Lam were appointed as independent non-executive Directors on 30 August 2005 and Ms. Wong Man Ngar Edna was appointed as an independent non-executive Director on 1 January 2006. As at the Latest Practicable Date, Mr. Fung, Dr. Lam and Ms. Wong Man Ngar Edna have served more than 17 years, 17 years and 15 years on the Board, respectively.

When considering Mr. Fung’s educational background, experience and professional skills, the Board has considered that (i) he has over 30 years of experience in accounting and finance; (ii) he has been an executive director of a company listed on the Stock Exchange; and (iii) his years of experience working as an independent non-executive Director allowed him to be familiar with the businesses the Company operates in and him to discharge his duties as an independent non-executive director in a more efficient manner.

LETTER FROM THE BOARD

When considering Dr. Lam's educational background, experience and professional skills, the Board has considered that (i) he has years of has over 30 years of international and extensive experience in different sectors, the Board believes that he can provide valuable advice and contribution to the Company; (ii) he sits on multiple boards of listed companies and is a fellow of the Hong Kong Institute of Directors, he is familiar with the duties and responsibilities of a director of listed company as well as the rules and regulations imposed on listed companies; and (iii) his years of experience working as an independent non-executive Director allowed him to be familiar with the businesses the Company operates in and him to discharge his duties as an independent non-executive director in a more efficient manner.

Paragraph B.3.4(b) of Appendix 14 to the Listing Rules provides that where the board proposes a resolution to elect an individual as an independent non-executive director at the general meeting, it should set out in the circular to shareholders and/or explanatory statement accompanying the notice of the relevant general meeting if the proposed independent non-executive director will be holding their seventh (or more) listed company directorship, why the board believes the individual would still be able to devote sufficient time to the board.

As disclosed in the biographical details of Dr. Lam set out in Appendix II to this circular, Dr. Lam is holding directorship in more than seven listed companies including his directorship in the Company. Notwithstanding this, during the years ended 30 April 2021 and 2022, Dr. Lam attended all the Board meetings and general meetings of the Company. Dr. Lam also served as the chairman of each of the Remuneration Committee and Audit Committee and a member of the Nomination Committee and attended all the Remuneration Committee meetings, Audit Committee meetings and Nomination Committee meetings of the Company during the years ended 31 March 2021 and 2022. In addition, the Board is of the view that Dr. Lam would continue to bring valuable contributions to the Board for its efficient and effective functioning and diversity with his knowledge and experience particularly in the accounting field. On this basis, the Board is of the view that Dr. Lam is able to devote sufficient time to the Board and attention to the affairs of the Company and that Dr. Lam's directorship outside the Company would not affect him in maintaining his current role in, and his functions and responsibilities for, the Company. Hence, the Board recommends his re-election as an independent non-executive Director at the AGM.

In addition, in assessing the independence of Mr. Fung and Dr. Lam, the Nomination Committee has reviewed their annual confirmations of independence and assessed their independence based on the independence criteria set out in Rule 3.13 of the Listing Rules. They do not have any relationship with any Directors, chief executive and senior management of the Company, substantial Shareholders or controlling Shareholders. The Nomination Committee and the Board are also not aware of any circumstance that might influence them in exercising independent judgment, given they do not hold any shares or share options of the Company, and are satisfied that they have the required character, integrity, independence and experience to fulfill the role of independent non-executive Directors by providing objective views and independent guidance to the Board.

Having considered the factors above, the Nomination Committee is satisfied that Mr. Fung and Dr. Lam remain independent notwithstanding the length of their services and believes that they are able to continue to fulfill their role as an independent non-executive director, and hence recommended to the Board for the re-election of Mr. Fung and Dr. Lam as the independent non-executive Directors.

LETTER FROM THE BOARD

Taking into consideration of the Nomination Committee's recommendations and Mr. Fung and Dr. Lam have been committed to devoting time and attention to perform their duties as the independent non-executive Directors in the past years, the Board (including the independent non-executive Directors other than Mr. Fung and Dr. Lam) considers that the long service of Mr. Fung and Dr. Lam would not affect their exercise of independent judgement and is satisfied that they have the required character, integrity and experience to perform their duties as an independent non-executive director by providing objective views and independent guidance to the Board. Further, the Board (including the independent non-executive Directors other than Mr. Fung and Dr. Lam) believes that an individual's independence cannot be determined arbitrarily on basis of a set period of time. Mr. Fung and Dr. Lam have not been involved in any management role in the company nor in any relationships which would interfere with the exercise of their independent judgement. The Board (including the independent non-executive Directors other than Mr. Fung and Dr. Lam) is of the view that despite their length of service, Mr. Fung and Dr. Lam maintain an independent mindset and provide invaluable expertise, knowledge, experience, professionalism, continuity and stability to the Board, and the Company has benefited greatly from their contribution and valuable insights derived from their wide breadth of professional experience and knowledge and in-depth understanding with the operations and business of the Group.

The Board (including the independent non-executive Directors other than Mr. Fung and Dr. Lam) accepted the Nomination Committee's nominations and recommended Mr. Fung and Dr. Lam to stand for re-election by the Shareholders at the AGM. The Board (including the independent non-executive Directors other than Mr. Fung and Dr. Lam) considers that the re-election of Mr. Fung and Dr. Lam as the independent non-executive Directors is in the best interest of the Company and the Shareholders as a whole.

ADOPTION OF THE 2022 SHARE OPTION SCHEME

Lapse of the 2011 Share Option Scheme

The 2011 Share Option Scheme expired on 30 September 2021. In view of the expiry of the 2011 Share Option Scheme, the Board proposes to recommend to the Shareholders to approve the adoption of the 2022 Share Option Scheme. As at the Latest Practicable Date, there were no outstanding Options entitling the holders thereof to subscribe for Shares under the 2011 Share Option Scheme.

The 2022 Share Option Scheme

At the AGM, an ordinary resolution will be proposed for the Company to approve and adopt the 2022 Share Option Scheme as the 2011 Share Option Scheme has expired and no further Options can thereafter be offered or granted under the 2011 Share Option Scheme. The 2022 Share Option Scheme is largely similar to the 2011 Share Option Scheme. The major differences between the 2022 Share Option Scheme and the 2011 Share Option Scheme are changes made to the terms of the 2022 Share Option Scheme to conform to the latest amendments to Chapter 17 of the Listing Rules. Both the 2022 Share Option Scheme and the 2011 Share Option Scheme comply with the requirements under Chapter 17 of the Listing Rules. The 2022 Share Option Scheme will take effect on the Adoption Date subject to the Stock Exchange granting approval for the listing of and dealing in the shares to be issued and allotted pursuant to the exercise of options in accordance with the terms and conditions of the 2022 Share Option Scheme.

LETTER FROM THE BOARD

The purpose of the 2022 Share Option Scheme is to provide incentives and/or rewards to the Eligible Participants for their contribution to the growth of the Group, to enable the Group to attract and retain individuals with experience and ability and/or to reward them for their past contributions, to attract and retain or otherwise maintain on-going relationships with such Eligible Participants who are significant to and/or whose contributions are or will be beneficial to the performance, growth or success of the Group, and continuing efforts to promote the interests of the Group, and to provide the Group with a more flexible means to reward, remunerate, compensate and/or provide benefits to the Eligible Participants.

The rules of the 2022 Share Option Scheme provide that the Board, subject to the approval of the Remuneration Committee, may specify the Eligible Participants to whom Options shall be granted, the number of Shares subject to each Option and the date on which the Options shall be granted. The basis for determining the subscription price is also specified precisely in the rules of the 2022 Share Option Scheme. The Board considers that the aforesaid criteria and rules will serve to preserve the value of the Company and encourage Eligible Participants to acquire proprietary interests in the Company. The Company does not at present intend to appoint any trustee to the 2022 Share Option Scheme. The resolution to be proposed for the approval of the 2022 Share Option Scheme by the Shareholders at the AGM will also include the grant of the general mandate to the Board to grant Options under the 2022 Share Option Scheme and any other Schemes for the allotment and issue of not more than 10% of the entire issued capital of the Company as at the date of the passing of the relevant resolution upon their exercise.

The Board (or the case may be, the independent non-executive Directors) and the Remuneration Committee will assess the eligibility of Eligible Participants who are Employees and Directors based on factors, including but not limited to: (i) work performance; (ii) years of service; (iii) responsibilities and engagement conditions in accordance with the prevailing market practice and industry standard; (iv) potential or actual contribution to the business of the Group (e.g. actively promoting the development and growth of the business of the Group); and (v) the ability to make valuable contribution based on his/her work experience, qualifications, industry knowledge and professional skills and other relevant factors.

As at the Latest Practicable Date, the Company did not have any other share option scheme or share award scheme except for the 2022 Share Option Scheme.

Eligible Participants to whom Options shall be granted, are entitled to subscribe for the number of Shares at a subscription price subject to each Option and the date on which the Options shall be granted. The basis for determining the subscription price is also specified precisely in the rules of the 2022 Share Option Scheme. There is no performance target specified in the 2022 Share Option Scheme. There is also no clawback mechanism specified under the 2022 Share Option Scheme to recover or withhold the remuneration (which may include any Options granted) to any Eligible Participants in the event of serious misconduct, a material misstatement in the Company's financial statements or other circumstances. The Directors consider that the aforesaid criteria and rules will serve to preserve the value of the Company and encourage Eligible Participants to acquire proprietary interests in the Company.

LETTER FROM THE BOARD

The Directors consider that it is not appropriate to state the value of all Options that can be granted pursuant to the 2022 Share Option Scheme as if they had been granted on the Latest Practicable Date as a number of variables which are crucial for the calculation of the Option value have not been determined. Such variables include but are not limited to the exercise price, exercise period and lock-up period (if any). The Directors believe that any calculation of the value of the Options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to Shareholders.

None of the Directors is a trustee of the 2022 Share Option Scheme or has a direct or indirect interest in the trustee, if any. With respect to the operation of the 2022 Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

Conditions precedent of the 2022 Share Option Scheme

The adoption of the 2022 Share Option Scheme is conditional upon:

- (a) the Listing Committee of the Stock Exchange granting approval for the listing of and permission to deal in any Shares which may fall to be allotted and issued by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the 2022 Share Option Scheme; and
- (b) the passing of an ordinary resolution at a general meeting of the Company approving the adoption of the 2022 Share Option Scheme.

Subject to the obtaining of Shareholders' approval with respect to the adoption of the 2022 Share Option Scheme at the AGM, the total number of Shares which may be issued in respect of all Options to be granted under the 2022 Share Option Scheme and any other schemes of the Company (if any) must not in aggregate exceed 10% of the total issued capital of the Company as at the date of the approval of the 2022 Share Option Scheme (the "**Scheme Mandate Limit**"). Options lapsed in accordance with the terms of the 2022 Share Option Scheme or any other schemes of the Company will not be counted for calculating the Scheme Mandate Limit. The Company may seek approval by the Shareholders at a general meeting to refresh the Scheme Mandate Limit under the 2022 Share Option Scheme after three years from the date of the approval of the adoption of the 2022 Share Option Scheme. However, the total number of Shares which may be issued upon exercise of all options to be granted under all of the schemes (including the 2022 Share Option Scheme) of the Company under the scheme mandate as "refreshed" must not exceed 10% of the issued share capital of the Company at the date of the approval of the refreshed Scheme Mandate Limit. Details of the requirements relating to the Scheme Mandate Limit are set out in paragraph (f) to Appendix III.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the Company has 227,074,833 issued Shares and assuming that there is no change in the issued share capital between the period from the Latest Practicable Date and the Adoption Date, the maximum number of Shares issuable pursuant to the 2022 Share Option Scheme and any other schemes of the Company on the Adoption Date will be 22,707,483 Shares, representing approximately 10% of the existing issued share capital of the Company. In the event that the Company conducts share consolidation or subdivision after the scheme limit has been approved, the maximum number of Shares that may be issued upon exercise of all options to be granted under the 2022 Share Option Scheme shall be adjusted in the same proportion of the issued share capital of the Company before such alteration.

The Board currently does not have a concrete plan to grant any Options to any of the Eligible Participants in the coming 12 months upon the adoption of the 2022 Share Option Scheme. The Board will from time to time consider whether to grant any Options to the Eligible Participants based on a number of factors including, inter alia, the Group's overall financial performance, the Eligible Participants' individual performance and their contribution to the revenue, profits or business development of the Group.

A summary of the principal terms of the 2022 Share Option Scheme which is proposed to be approved and adopted by the Company at the AGM is set out in Appendix III to this circular from pages 19 to 28. A copy of the 2022 Share Option Scheme is available for inspection at the Company's principal place of business in Hong Kong at 17A, EGL Tower, 83 Hung To Road, Kwun Tong, Kowloon, Hong Kong during normal business hours from the date hereof up to and including the date of the AGM.

Application for listing

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the 2022 Share Option Scheme.

ADOPTION OF THE NEW ARTICLES OF ASSOCIATION

On 1 January 2022, the Listing Rules were amended by, among others, adopting a uniform set of 14 core standards for shareholder protections for issuers regardless of their place of incorporation set out in Appendix 3 to the Listing Rules.

As such, the Board proposes to make certain amendments to the Articles of Association for the purposes of, among others, conforming to the said core standards for shareholder protections and to incorporate certain housekeeping changes. The Board also proposes to adopt the New Articles of Association in substitution for, and to the exclusion of, the existing Articles of Association.

LETTER FROM THE BOARD

Details of the amendments to the Articles of Association are set out in Appendix IV to this circular. A special resolution will be proposed at the AGM to approve the Proposed Amendments and the adoption of the New Articles of Association.

The Company's legal advisers have confirmed that the proposed amendments conform with the requirements of Appendix 3 to the Listing Rules, where applicable, do not violate the Cayman Islands laws. The Company also confirms that there is nothing unusual about the proposed amendments for a company listed in Hong Kong.

ANNUAL GENERAL MEETING

If you are unable to attend the AGM in person, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon as soon as possible to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, as soon as possible and in any event not later than 48 hours before the time appointed for holding of the AGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting or any adjournment thereof if they so wish.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll (except where the resolution relates purely to a procedural or administrative matter which may be voted on by a show of hands) and accordingly, all resolutions proposed at the AGM will be taken by poll. To the best of the Directors' knowledge, information and belief, after having made all reasonable enquiries, none of the Shareholders is required to abstain from voting on the ordinary resolutions to be proposed at the AGM pursuant to the Listing Rules and/or the Articles.

The Board confirmed that to the best of their knowledge, information and belief, having made all reasonable enquiries, as at the Latest Practicable Date, there was no voting trust or other agreement or arrangement or understanding (other than an outright sale) entered into by or binding upon any Shareholder and there was no obligation or entitlement of any Shareholder whereby he, she or it has or may have temporarily or permanently passed control over the exercise of the voting right in respect of his, her or its Shares to a third party, either generally or on a case-by-case basis.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors are of the opinion that the renewal of the general mandates to issue and repurchase Shares, and the extension of the general mandate to issue Shares as a result of repurchases of Shares, the re-election of Directors, adoption of the 2022 Share Option Scheme and the adoption of the New Articles of Association are in the best interests of the Company and the Shareholders as a whole, and so recommend Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

Yours faithfully,

For and on behalf of the Board

Vongroup Limited

Vong Tat Jeong David

Executive Director

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to Shareholders for your consideration of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 227,074,833 Shares.

Subject to the passing of the Repurchase Mandate, and assuming that no further shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase up to 22,707,483 Shares during the course of the period from the AGM to the earliest of (i) the date of the next annual general meeting; (ii) the date by which the next annual general meeting of the Company is required to be held by law; and (iii) the date upon which such authority is revoked or varied.

2. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchase of Shares will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be funded entirely from funds legally available for such purpose in accordance with its Articles, the Listing Rules and the applicable laws of the Cayman Islands.

If the Repurchase Mandate were to be exercised in full, there might be a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 30 April 2022. However, the Directors do not intend to make any repurchases to such an extent as would, in circumstances, have a material adverse effect on the working capital requirements or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the regulations set out in the Articles.

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), have any present intention to sell to the Company or its subsidiaries any of the Shares if the Repurchase Mandate is approved at the AGM and exercised.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is granted.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and, depending on the level of increase of the Shareholder's interest, may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The shareholding structure of the Company as at the Latest Practicable Date and the shareholding structure of the Company upon full exercise of the Repurchase Mandate are set out below:

Shareholders	As at the Latest Practicable Date		Immediately after full exercise of the Repurchase Mandate	
	Number of issued Shares held	Approximate percentage of issued share capital of the Company	Number of issued Shares held <i>(Note (3))</i>	Approximate percentage of issued share capital of the Company <i>(Note (3))</i>
Vongroup Holdings Limited <i>(Note (1))</i>	121,319,436	53.43%	121,319,436	59.36%
Allyking International Limited <i>(Note (2))</i>	34,885,000	15.36%	34,885,000	17.07%
Public Shareholders	70,870,397	31.21%	48,162,914	23.57%
	<u>227,074,833</u>	<u>100.00%</u>	<u>204,367,350</u>	<u>100.00%</u>

Notes:

- (1) Vongroup Holdings Limited is legally and beneficially owned by Vong Tat Ieong David, a Director.
- (2) Allyking International Limited is legally and beneficially owned by Huang Rong.
- (3) Assuming that (i) the issued share capital of the Company remains at 227,074,833 Shares immediately before the full exercise of the Repurchase Mandate; and (ii) the shareholdings of Vongroup Holdings Limited and Allyking International Limited as set out in the above table remain unchanged immediately before the full exercise of the Repurchase Mandate. On this basis, the total issued share capital of the Company immediately after the full exercise of the Repurchase Mandate would be 204,367,350 Shares.

Accordingly, assuming that there is no change in shareholding structure after the Latest Practicable Date, an exercise of the Repurchase Mandate in full will not give rise to an obligation on Vongroup Holdings Limited or Allyking International Limited to make a conditional mandatory offer under the Takeovers Code. Nevertheless, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would result in takeover obligation.

Therefore, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate.

The Directors will exercise the powers conferred by the Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole.

GENERAL

Save as disclosed above, such Directors received no other compensation from the Group and there is no information which is required to be disclosed pursuant to Rule 13.51(2)(h) to (v) of the Listing Rules and there is no other matter that needs to be brought to the attention of the Shareholders.

This Appendix summarises the principal terms of the 2022 Share Option Scheme but does not form part of, nor was it intended to be, part of the 2022 Share Option Scheme nor should it be taken as effecting the interpretation of the rules of the 2022 Share Option Scheme.

(a) Purpose of the 2022 Share Option Scheme

The purpose of the 2022 Share Option Scheme is to provide incentives and/or rewards to the Eligible Participants for their contribution to the growth of the Group, to enable the Group to attract and retain individuals with experience and ability and/or to reward them for their past contributions, to attract and retain or otherwise maintain on-going relationships with such Eligible Participants who are significant to and/or whose contributions are or will be beneficial to the performance, growth or success of the Group, and continuing efforts to promote the interests of the Group, and to provide the Group with a more flexible means to reward, remunerate, compensate and/or provide benefits to the Eligible Participants.

(b) Who may join

Eligible Participants include any person who is (or will be on the date of grant of an Option) an Employee, a Director (excluding independent non-executive Directors) as may be determined by the Directors or the Remuneration Committee (as the case may be) from time to time.

The basis of eligibility of any of the Eligible Participants shall be determined by the Board from time to time. In assessing the eligibility of any Eligible Participant, the Board will consider all relevant factors as appropriate, including, among others:–

- (i) work performance;
- (ii) years of service;
- (iii) responsibilities and engagement conditions in accordance with the prevailing market practice and industry standard;
- (iv) potential or actual contribution to the business of the Group (e.g. actively promoting the development and growth of the business of the Group); and
- (v) the ability to make valuable contribution based on his/her work experience, qualifications, industry knowledge and professional skills and other relevant factors;

(c) Administration of the 2022 Share Option Scheme

The 2022 Share Option Scheme shall be subject to the administration of the Directors whose decision on all matters arising in relation to the 2022 Share Option Scheme or their interpretation or effect shall (save as otherwise provided therein) be final and binding on all persons who may be affected thereby.

(d) Grant and acceptance of Options

The Board shall, subject to and in accordance with the provisions of the 2022 Share Option Scheme and the Listing Rules, be entitled (but shall not be bound) at any time and from time to time on any business day within a period of ten years commencing on the date of which the 2022 Share Option Scheme is adopted to make an offer for the grant of an Option (the “Offer”) to such Eligible Participant as it may in its absolute discretion select, and subject to such conditions as the Board may think fit, to subscribe for such number of Shares as the Board may determine at the Subscription Price (hereinafter defined).

An Offer shall be made to an Eligible Participant in writing (and unless so made shall be invalid) in such form as the Board may from time to time determine and shall remain open for acceptance by the Eligible Participant concerned for a period of twenty-eight (28) days inclusive of, and from the date of which an Offer is made to an Eligible Participant provided that no such Offer shall be open for acceptance after the earlier of the 10th anniversary of the adoption date of the 2022 Share Option Scheme or the termination of the 2022 Share Option Scheme. A non-refundable nominal consideration of HK\$1.00 is payable by the grantee upon acceptance of an Option. An Option shall be deemed to have been accepted when the duplicate letter comprising acceptance of the Option duly signed by the Eligible Participant together with the said consideration of HK\$1.00 is received by the Company.

Any Offer may be accepted in respect of less than the number of Shares in respect of which it is offered provided that it is accepted in such number of Shares as represents a board lot for the time being for the purpose of trading on main board or an integral multiple thereof.

(e) Exercise of Options and Price of Shares

An Option may be exercised in whole or in part by the grantee giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised. Each such notice must be accompanied by a remittance for the full amount of the Subscription Price for the Shares in respect of which the notice is given. Within twenty-one (21) days after receipt of the notice and the remittance and, where appropriate, receipt of the certificate from the Company’s auditors or independent financial advisers, the Company shall allot and issue the relevant Shares to the grantee (or his legal personal representative(s)) credited as fully paid.

The Options (before exercise) do not carry any right to vote at a general meeting of the Company, or any dividend, transfer or other rights, including those arising on the liquidation of the Company, save as otherwise provided under the 2022 Share Option Scheme or under the relevant laws or the memorandum and articles of association of the Company in effect from time to time. Shares to be allotted and issued upon the exercise of an Option will be subject to all the provisions of the memorandum and articles of association of the Company for the time being in force and will rank pari passu in all respects with the existing fully paid Shares in issue on the date on which the Option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the “Exercise Date”) and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the Exercise Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the Exercise Date. A Share allotted upon the exercise of an Option shall not carry voting rights until the name of the grantee of the Option(s) has been duly entered onto the register of members of the Company as the holder thereof.

The exercise price for Shares under the 2022 Share Option Scheme (the “Subscription Price”) shall be determined by the Board at its absolute discretion but in any event will not be less than the higher of: (i) the closing price of the Shares as stated in the daily quotations sheet of the Stock Exchange on the date of grant of an Option, which must be a business day; (ii) the average closing price of the Shares as stated in the daily quotations sheets of the Stock Exchange for the five business days immediately preceding the date of grant of an Option; and (iii) the nominal value of the Shares.

(f) Maximum number of Shares available for issue

- (1) The total number of Shares which may be issued upon exercise of all Options to be granted under the 2022 Share Option Scheme and any other schemes of the Company adopted by the Group must not, in aggregate, exceed 10% of the Shares in issue as at the date of the approval of the 2022 Share Option Scheme (the “Scheme Mandate Limit”), unless Shareholders’ approval, or if so required under the Listing Rules, approval of the independent shareholders of the Company, has been obtained pursuant to subparagraphs (2) and (3) below. Options lapsed in accordance with the terms of the 2022 Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit.
- (2) The Company may seek separate approval by its Shareholders at a general meeting for granting Options beyond the Scheme Mandate Limited provided the Options in excess of the Scheme Mandate Limited are granted only to Eligible Participants specifically identified by the Company before such approval is sought. The Company must send a circular to the Shareholders containing a general description of the specified Eligible Participant and such other information as required under the Listing Rules.

- (3) The Company may seek approval by its Shareholders, or if so required under the Listing Rules, the independent shareholders of the Company, at a general meeting to refresh the Scheme Mandate Limit under the 2022 Share Option Scheme after three years from the date of shareholders' approval for the last refreshment (or the adoption of the 2022 Share Option Scheme).

Any "refreshment" within any three year period must be approved by shareholders of the issuer subject to the following provisions:

- (i) any controlling shareholders and their associates (or if there is no controlling shareholder, directors (excluding independent non-executive directors) and the chief executive of the issuer and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting; and
- (ii) the issuer must comply with the requirements under rules 13.39(6) and (7), 13.40, 13.41 and 13.42.

The requirements under paragraphs f(3)(i) and f(c)(ii) above do not apply if the refreshment is made immediately after an issue of Shares by the Company to the Shareholders on a pro rata basis as set out in Rule 13.36(2)(a) of the Listing Rules such that the unused part of the Scheme Mandate Limit (as a percentage of the total number of Shares in issue) upon refreshment is the same as the unused part of the Scheme Mandate Limit immediately before the issue of Shares, rounded to the nearest whole Share.

- (4) The total number of Shares which may be issued in respect of all Options to be granted under the 2022 Share Option Scheme (in aggregate with any other options and awards to be granted under any other share option scheme(s) and share award scheme(s) of the Company that involve(s) the issuance of new Shares) under the Scheme Mandate Limit as refreshed shall not exceed 10% of the total number of Shares in issue as at the date of approval of the refreshed Scheme Mandate Limit. The Company shall send to its Shareholders a circular containing all such information as may be required under the Listing Rules.
- (5) The Company may seek separate approval by its Shareholders at a general meeting for granting Options beyond the Scheme Mandate Limit provided the Options in excess of the Scheme Mandate Limit are granted only to Eligible Participants specifically identified by the Company before such approval is sought. In such a case, the Company shall send to its Shareholders a circular containing the name of each specified Eligible Participant who may be granted such Options, the number and terms of the Options to be granted to each Eligible Participant, and the purpose of granting Options to the specified Eligible Participants with an explanation as to how the terms of the Options serve such purpose and all such information as may be required under the Listing Rules. The number and terms of Options to be granted to such Eligible Participants must be fixed before Shareholders' approval. In respect of any Options to be granted, the date of Board meeting for proposing such grant should be taken as the date of grant for the purpose of calculating the Subscription Price.

(g) Grant of Options to a Director, chief executive or substantial Shareholder of the Company, or any of their respective associates

Any grant of Options to a Director (excluding independent non-executive Directors), chief executive or substantial Shareholder of the Company, or any of their respective associates, must be approved by the independent non-executive Directors. Where Options are proposed to be granted to a substantial Shareholder or any of its/his/her respective associates and if such grant would result in the total number of Shares issued and to be issued upon exercise of the Options granted and to be granted (excluding any options lapsed in accordance with the terms of the 2022 Share Option Scheme) in any 12-month period up to and including the date of grant to such person representing in aggregate over 0.1% of the total issued Shares, then the proposed grant must be subject to the approval of Shareholders taken on a poll in a general meeting. The relevant Grantee, his associates and all core connected persons of the Company must abstain from voting at such general meeting (except where any such person intends to vote against the proposed grant and that his intention to do so has been stated in the shareholders' circular to be issued as stated below).

A circular must be prepared by the Company explaining the proposed grant, disclosing (i) the number and terms of the Options to be granted; (ii) containing the views of the independent non-executive Directors as to whether the terms of the grant are fair and reasonable, whether such grant is in the interests of the Company and Shareholders as a whole and recommendation on whether or not to vote in favour of the proposed grant; (iii) containing information relating to any Directors who are trustees of the scheme or have a direct or indirect interest in the trustees; and (iv) such other information as required under the Listing Rules. Any change in the terms of Options granted to an Eligible Participant who is a substantial Shareholder or its associates must be approved by Shareholders in a general meeting.

(h) Maximum entitlement of each Eligible Participant

The total number of Shares issued and to be issued upon exercise of the options granted to each Eligible Participant or grantee (including exercised and outstanding options) in any twelve (12)-month period up to the date of grant shall not exceed 1% of the Shares in issue at the date of grant (the "Individual Limit"). Where it is proposed that any offer is to be made to an Eligible Participant (or where approximate, an existing grantee) which would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding options) in the twelve (12)-month period up to and including the relevant date of grant to exceed his, her or its Individual Limit, such offer and any acceptance thereof must be conditional upon Shareholders' approval at a general meeting with such Eligible Participant (or where appropriate, an existing grantee) and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Eligible Participant or grantee, the number and terms of options to be granted (and options previously granted) to such Eligible Participant and the information required under the Listing Rules. The number and terms (including the subscription price) of options to be granted to such Eligible Participant must be fixed before the date on which Shareholders' approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the subscription price.

(i) Vesting Period of Options and Performance Target

- (a) The vesting period for Options under the 2022 Share Option Scheme shall not be less than 12 months. In any event no Option may be exercised more than 10 years from the date of grant but subject to the early termination of the 2022 Share Option Scheme (the “Option Period”).
- (b) There is no performance target that needs to be achieved by the Grantee before an Option can be exercised.

(j) Restrictions on the time of grant of Options

Grant of Options may not be made after a price sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been announced in accordance with the relevant requirements of the Listing Rules. In particular, no Option may be granted during the period commencing one month immediately preceding the earlier of (i) the date of the Board meeting for the approval of the Company’s quarterly, interim or annual results and (ii) the deadline for the Company to publish its quarterly, interim or annual results announcement and ending on the date of such results announcement.

(k) Rights are personal to grantees

An Option is personal to the grantee and shall not be assignable and no grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest whatsoever in favour of any third party over or in relation to any option or enter into any agreement so to do. Any breach of the foregoing by a grantee shall entitle the Company to cancel any option or part thereof granted to such grantee to the extent not already exercised.

(l) Rights on cessation of employment by dismissal

If the grantee of an Option is an employee (the “Employee”) of the Group and ceases to be an Employee on one or more of the grounds that he or she has been guilty of persistent or serious misconduct, bankruptcy, insolvency, composition with his or her creditors generally or conviction of any criminal offence or other grounds on which an employer would be entitled to terminate his or her employment pursuant to any applicable law, his or her Option (to the extent not already exercised) will lapse on the date of cessation of his or her employment.

(m) Rights on death

If the grantee of an Option is an Employee and ceases to be an Employee by reason of his or her death before exercising the Options in full and none of the events referred to in paragraph (k) above as ground for termination of his or her Options arises, his or her personal representative(s) may exercise the Option (to the extent not already exercised) within a period of 12 months following the date of death (or such longer period as the Board may determine), failing which it will lapse.

(n) Rights on cessation of employment for other reasons

If the grantee of an Option who is an Employee and ceases to be an Eligible Participant for any other reason the Options (to the extent not already exercised) shall lapse on the date of cessation or termination and shall not be exercisable unless the Board otherwise determines in which event the grantee may exercise the vested portion of the Option (to the extent not already exercised) in whole or in part within a period as the Board may determine following the date of such cessation or termination, which date shall be the last actual working day with the Group, whether salary is paid in lieu of notice or not. If any of the events referred to in paragraph (n) to (p) below occurs during such period, he or she may exercise the Option pursuant to paragraphs (n) to (p) respectively.

(o) Rights on a general offer

In the event of a general offer being made to all Shareholders (or all such holders other than the offeror and/or person controlled by the offeror and/or any person acting in concert (as defined in the Takeovers Code) with the offeror) and such offer becomes or is declared unconditional during the Option Period of the relevant Option, the grantee (or his personal representative(s)) shall be entitled to exercise the Option in full (to the extent not already exercised) at any time within the Option Period and up to the close of such offer.

(p) Rights on winding up

(y) Termination

The Company by ordinary resolution at a general meeting may at any time terminate the operation of the 2022 Share Option Scheme and in such event no further Options will be offered but in all other respects the provisions of the 2022 Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options granted but not yet exercised prior to such termination. Options (to the extent not already exercised) granted prior to such termination shall continue to be valid and exercisable in accordance with the 2022 Share Option Scheme. (2) The fee referred to in paragraph (1) above shall be an amount not exceeding the relevant maximum amount as the Designated Stock Exchange may from time to time determine provided that the Board may at any time determine a lower amount for such fee.

21. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed a new certificate representing the same shares may be issued to the relevant Member upon request and on payment of such fee as the Designated Stock Exchange may determine to be the maximum fee payable or such lesser sum as the Board may determine and, subject to compliance with such terms (if any) as to evidence and indemnity and to payment of the costs and reasonable out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company provided always that where share warrants have been issued, no new share warrant shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed.

LIEN

22. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share. The Company shall also have a first and paramount lien on every share (not being a fully paid share) registered in the name of a Member (whether or not jointly with other Members) for all amounts of money presently payable by such Member or his estate to the Company whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person, whether a Member of the Company or not. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.

23. Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfillment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.

24. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at ~~least~~ least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.

27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.

28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty percent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.

29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.

32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:

- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
- (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.

(2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.

35. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.

36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.

37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their ~~discussion~~ discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.

41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:

- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
- (b) the date on which each person was entered in the Register; and
- (c) the date on which any person ceased to be a Member.

(2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.

44. The Register and branch register of Members maintained in Hong Kong, as the case may be, shall be open to inspection for at least two (2) hours ~~on every~~ during business ~~day~~ hours by Members without charge or by any other person, upon a maximum payment of HK\$2.50 or such lesser sum specified by the Board, at the Office or such other place ~~in the Cayman Islands~~ at which the Register is kept in accordance with the Law Act or, if appropriate, upon a maximum payment of HK\$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper ~~and where applicable, or~~ any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

RECORD DATES

45. Notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:

- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue and such record date may be on, or at any time not more than thirty (30) days before or after, any date on which such dividend, distribution, allotment or issue is declared, paid or made;
- (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.

47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

48. (1) The Board may, in its absolute discretion, and without giving any ~~person~~reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.

(2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.

(3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

(4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place in the Cayman Islands at which the Register is kept in accordance with the LawAct.

49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:—

- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
- (b) the instrument of transfer is in respect of only one class of share;
- (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the LawAct or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (d) if applicable, the instrument of transfer is duly and properly stamped.

50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.

51. The registration of transfers of shares or of any class of shares may, after notice has been given by advertisement in an appointed newspaper and, where applicable, any other newspapers in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.

53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 75(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

(2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:

- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles of the Company have remained uncashed;
- (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
- (c) the Company, if so required by the ~~rules governing the listing of shares on the Designated Stock Exchange~~ Listing Rules, has given notice to, and caused advertisement in newspapers in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the

Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

(3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

56. An annual general meeting of the Company shall be held in each financial year other than the financial year of the Company's ~~incorporation (within a period of not more than fifteen (15) months after the holding of the last preceding adoption of these Articles and such~~ annual general meeting ~~or not more than eighteen~~ must be held within six (186) months after the ~~date end of incorporation~~ the Company's financial year, (unless a longer period would not infringe ~~the rules of the Designated Stock Exchange Listing Rules~~, if any) at such time and place as may be determined by the Board.

57. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. General meetings may be held in any part of the world as may be determined by the Board.

58. The Board may whenever it thinks fit call extraordinary general meetings. Any one or more Member(s) holding at the date of deposit of the requisition not less than one-tenth of the paid up capital of the Company carrying the right of voting at general meetings of the Company, on a one vote per share basis, shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business or resolution specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionist(s) himself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

NOTICE OF GENERAL MEETINGS

59. (1) An annual general meeting must be called by Notice ~~and any extraordinary general meeting at which the passing of a special resolution is to be considered shall be called by~~ of not less than twenty-one (21) clear days' ~~Notice~~. All other ~~extraordinary general meetings (including an extraordinary general meeting)~~ may ~~must~~ be called by Notice of not less than fourteen (14) clear days' ~~Notice~~ but if permitted by the Listing Rules, a general meeting may be called by shorter notice, subject to the ~~Law~~Act, if it is so agreed:

- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
- (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together ~~holding~~ representing not less than ninety-five per cent. (95%) ~~in nominal value~~ of the total voting rights at the meeting of all the Members issued shares giving that right.

(2) The ~~N~~otice shall specify the time and place of the meeting and particulars of resolutions to be considered at the meeting and, in case of special business, the general nature of the business. The ~~N~~otice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors and the Auditors.

60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of:

- (a) the declaration and sanctioning of dividends;
- (b) consideration and adoption of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet;
- (c) the election of Directors whether by rotation or otherwise in the place of those retiring;

- (d) appointment and removal of Auditors (where special notice of the intention for such appointment is not required by the ~~Law~~Act) and other officers;
- (e) the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors; and
- (f) the granting of any mandate or authority to the Directors to offer, allot, grant options over or otherwise dispose of the unissued shares in the capital of the Company representing not more than 20 per cent. in nominal value of its existing issued share capital.

(2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. Two (2) Members entitled to vote and present in person or by proxy or (in the case of a member being a corporation) by its duly authorised representative shall form a quorum for all purposes.

62. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.

63. The chairman of the Company shall preside as chairman at every general meeting. If at any meeting the chairman, is not present within fifteen (15) minutes after the time appointed for holding the meeting, or is not willing to act as chairman, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by proxy and entitled to vote shall elect one of their number to be chairman.

64. The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment.

65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on ~~a show of hands~~ a poll every Member present in person ~~(or being a corporation, is present by a representative duly authorised), or by proxy shall have one vote and on a poll every Member present in person or by proxy~~ or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person (or being a corporation, is present by a duly authorised representative), or by proxy(ies) shall have one vote provided that Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine. A resolution put to the vote of a meeting shall be decided on a show of hands unless required under the Listing Rules a poll must be taken or (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

(a) (2) Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:~~by the chairman of such meeting; or~~

~~(b)~~(a) by at least three Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or

~~(c)~~(b) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or

~~(d)~~(c) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by the Member.

67. Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution.

68. If a poll is duly demanded the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. There shall be no requirement for the chairman to disclose the voting figures on a poll.

69. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken in such manner (including the use of ballot or voting papers or tickets) and either forthwith or at such time (being not later than thirty (30) days after the date of the demand) and place as the chairman directs. It shall not be necessary (unless the chairman otherwise directs) for notice to be given of a poll not taken immediately.

70. The demand for a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which the poll has been demanded, and, with the consent of the chairman, it may be withdrawn at any time before the close of the meeting or the taking of the poll, whichever is the earlier.

71. On a poll votes may be given either personally or by proxy.

72. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

73. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Law Act. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.

74. Where there are joint holders of any share any one of such joint holder may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders ~~to be~~ present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

75. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, whether on a show of hands or on a poll, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, curator bonis or other person may vote on a poll by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting or poll, as the case may be.

(2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

76. (a~~1~~) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.

(b~~2~~) All Members shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.

(3) Where the Company has knowledge that any Member is, under the Listing Rules, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against ~~on any particular resolution of the Company, or restricted to voting only for and only against any particular resolution,~~ any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.

77. If:

(a) any objection shall be raised to the qualification of any voter; or

- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

78. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.

79. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.

80. The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate) not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than twenty-four (24) hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

81. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

82. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting, or the taking of the poll, at which the instrument of proxy is used.

83. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply mutatis mutandis in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

84. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.

(2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including, the right to speak and to vote, and where a show of hands is allowed, the right to vote individually on a show of hands.

(3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

WRITTEN RESOLUTIONS OF MEMBERS

85. A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

BOARD OF DIRECTORS

There shall be no maximum number of Directors unless otherwise determined from time to time by the Members in general meeting. The Directors shall be elected or appointed in the first place by the subscribers to the Memorandum of Association or by a majority of them and thereafter in accordance with Article 87 and shall hold office until their successors are elected or appointed.

(2) Subject to the Articles and the ~~Law~~Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy on the Board, or as an addition to the existing Board.

(3) The Directors shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or as an addition to the existing Board. Any Director so appointed ~~by the Board~~ shall hold office only until the ~~next following~~first annual general meeting of the Company after his appointment and shall then be eligible for re-election.

(4) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.

(5) ~~Subject to any provision to the contrary in these Articles~~ The Members may, at any general meeting convened and held in accordance with these Articles, by ordinary resolution remove a Director (including a managing or other executive Director) at any time before the expiration of his period term of office notwithstanding anything to the contrary in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).

(6) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (4~~5~~) above may be filled by the election or appointment by ordinary resolution of the Members at the meeting at which such Director is removed.

(7) The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2).

RETIREMENT OF DIRECTORS

87. (1) Notwithstanding any other provisions in the Articles, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not ~~greater~~-less than one-third) shall retire from office by rotation provided that ~~notwithstanding anything herein, the chairman of the Board and/or the managing director of the Company shall not, whilst holding such office, every Director shall~~ be subject to retirement by rotation or be taken into account in determining the number of Directors to retire in each year at an annual general meeting at least once every three years.

(2) A retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed by the Board pursuant to Article 86(2) or Article 86(3) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

88. No person other than a retiring Director shall, unless recommended by the Directors for election, be eligible for election to the office of Director at any general meeting, unless notice in writing by a Member (not being the person to be proposed) entitled to attend and vote at the meeting for which such notice is given of his intention to propose such person for election as a Director and notice in writing by that person of his willingness to be elected shall have been lodged at the office or head office of the Company at least seven days before the date of the general meeting, such period for lodgment of the notices shall commence no earlier than the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven days prior to the date of such meeting provided that such period shall be at least seven days.

EXECUTIVE DIRECTORS

90. The Board may from time to time appoint any one or more of its body to be a managing director, joint managing director or deputy managing director or to hold any other employment or executive office with the Company for such period (subject to their continuance as Directors) and upon such terms as the Board may determine and the Board may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Article shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

91. Notwithstanding Articles 96, 97, 98 and 99, an executive director appointed to an office under Article 90 hereof shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.

ALTERNATE DIRECTORS

92. Any Director may at any time by Notice delivered to the Office or head office or at a meeting of the Directors appoint any person (including another Director) to be his alternate Director. Any person so appointed shall have all the rights and powers of the Director or Directors for whom such person is appointed in the alternative provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate Director may be removed at any time by the body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if we were a Director, would cause him to vacate such office or if his appointer ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.

93. An alternate Director shall only be a Director for the purposes of the LawAct and shall only be subject to the provisions of the LawAct insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified by the Company to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the Company any fee in his capacity as an alternate Director except only such part, if any, of the remuneration otherwise payable to his appointor as such appointor may ~~be~~by Notice to the Company from time to time direct.

94. Every person acting as an alternate Director shall have one vote for each Director for whom he acts as alternate (in addition to his own vote if he is also a Director). If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, the signature of an alternate Director to any resolution in writing of the Board or a committee of the Board of which his appointor is a member shall, unless the notice of his appointment provides to the contrary, be as effective as the signature of his appointor.

95. An alternate Director shall ipso facto cease to be an alternate Director if his appointor ceases for any reason to be a Director, however, such alternate Director or any other person may be re-appointed by the Directors to serve as an alternate Director PROVIDED always that, if at any meeting any Director retires but is re-elected at the same meeting, any appointment of such alternate Director pursuant to these Articles which was in force immediately before his retirement shall remain in force as though he had not retired.

DIRECTORS' FEES AND EXPENSES

96. The ordinary remuneration of the Directors shall from time to time be determined by the Company in general meeting and shall (unless otherwise directed by the resolution by which it is voted) be divided amongst the Board in such proportions and in such manner as the Board may agree or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of remuneration related to the period during which he has held office. Such remuneration shall be deemed to accrue from day to day.

97. Each Director shall be entitled to be repaid or prepaid all travelling, hotel and incidental expenses reasonably incurred or expected to be incurred by him in attending meetings of the Board or committees of the Board or general meetings or separate meetings of any class of shares or of debentures of the Company or otherwise in connection with the discharge of his duties as a Director.

98. Any Director who, by request, goes or resides abroad for any purpose of the Company or who performs services which in the opinion of the Board go beyond the ordinary duties of a Director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine and such extra remuneration shall be in addition to or in substitution for any ordinary remuneration provided for by or pursuant to any other Article.

99. The Board shall obtain the approval of the Company in general meeting before making any payment to any Director or past Director of the Company by way of compensation for loss of office, or as consideration for or in connection with his retirement from office (not being payment to which the Director is contractually entitled).

100. A Director may:

- (a) hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine. 101. Subject to the ~~Law~~Act and to these Articles, no Director or proposed or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the Members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established provided that such Director shall disclose the nature of his interest in any contract or arrangement in which he is interested in accordance with Article 102 herein.

103. (1) A Director shall not vote (nor be counted in the quorum) on any resolution of the Board ~~in respect of approving~~ any contract or arrangement or any other proposal in which he or any of his close associates ~~has~~ is materially interested, but this prohibition shall not apply to any of the following matters namely:

Any such appointment or delegation may be made upon such terms and subject to such conditions as the Board may think fit, and the Board may remove any person appointed as aforesaid, and may revoke or vary such delegation, but no person dealing in good faith and without notice of any such revocation or variation shall be affected thereby.

Every instrument executed in manner provided by this Article shall be deemed to be sealed and executed with the authority of the Board previously given.

(2) Where the Company has a Seal for use abroad, the Board may by writing under the Seal appoint any agent or committee abroad to be the duly authorised agent of the Company for the purpose of affixing and using such Seal and the Board may impose restrictions on the use thereof as may be thought fit. Wherever in these Articles reference is made to the Seal, the reference shall, when and so far as may be applicable, be deemed to include any such other Seal as aforesaid.

134. Any Director or the Secretary or any person appointed by the Board for the purpose may authenticate any documents affecting the constitution of the Company and any resolution passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts, and if any books, records, documents or accounts are elsewhere than at the Office or the head office the local manager or other officer of the Company having the custody thereof shall be deemed to be a person so appointed by the Board. and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to be made on the basis of any such documents so destroyed was duly and properly made and every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that: (1) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim; (2) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (1) above are not fulfilled; and (3) references in this Article to the destruction of any document include references to its disposal in any manner.

(2) Notwithstanding any provision contained in these Articles, the Directors may, if permitted by applicable law, authorise the destruction of documents set out in sub-paragraphs (a) to (e) of paragraph (1) of this Article and any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the share registrar on its behalf provided always that this Article shall apply only to the destruction of a document in good faith and without express notice to the Company and its share registrar that the preservation of such document was relevant to a claim.

DIVIDENDS AND OTHER PAYMENTS

136. Subject to the LawAct, the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board.

137. Dividends may be declared and paid out of the profits of the Company, realised or unrealised, or from any reserve set aside from profits which the Directors determine is no longer needed. The Directors may also determine that dividends be declared and paid out of share premium account or any other fund or account which can be authorised for this purpose in accordance with the LawAct.

138. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:

- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
- (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.

139. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

140. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.

141. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

142. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payables or property distributable in respect of the shares held by such joint holders.

143. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

144. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, any may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, any may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories when, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

145. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:

- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

- (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (“the non-elected shares”) and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;

 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks’ Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised (“the elected shares”) and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.

(2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (2) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.

(b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

(5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall mutatis mutandis apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

146. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. The Company may apply the share premium account in any manner permitted by the LawAct. The Company shall at all times comply with the provisions of the LawAct in relation to the share premium account.

(2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

147. The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.

148. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

149. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the ~~Law~~Act:

(1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:

- (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the addition shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
- (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;

- (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
- (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(2) Shares allotted pursuant to the provisions of this Article shall rank pari passu in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

(3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.

(4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
